

**April 22, 2017**  
**CHICANO PARK**  
**SAN DIEGO**

On behalf of Amigos Car Club and the Chicano Park Steering Committee we like to welcome you to the 47<sup>th</sup> anniversary of the takeover of Chicano Park. By your participation you are supporting grass-roots efforts to make Chicano Park the best representation to our community by our own community. *Gracias* for your support. Like any other event we have some rules that we advise you keep in mind:

- Absolutely **NO** hitting the switches on the grass or on any other parts of the park
- **No** drinking alcohol at the event (**will be enforced by SDPD**)
- Please respect the security personnel (they are only doing their job)
- The organizers of the event reserve the right to ask any participant who does not respect these rules to leave the park
- The carshow portion of the event is over by 3:30pm, please respect the schedule any car staying at the park after hours do so at their risk
- No peeling tires in grass area it damages the grass permanently
- No BBQ grills or fire of any kind (Fire Marshall regulation)

This car show is exhibition only however Amigos has committed to award 200 participation gifts to the first 200 entries, your entry fee covers this cost. We would like to add that this event is totally free to the community, in many ways the carshow promotes positive role-models to our youth and gives them the opportunity to see cars that usually the youth could not afford to pay to see at a regular carshow.

There will be 10 special awards given by sponsors to the following:

- best paint
- best interior
- best chrome
- best hydraulic set up
- best lowrider bike
- best longest distance
- best bomb (58 and below)
- best traditional low-rider
- best low-rider truck
- best overall

Amigos will have the final decision for these awards, thank you!
